

# Sharing

You can share both dashboards and panels with other users, as well as producing snapshots for external partners to view.

## Sharing Dashboards

Click on the **Share dashboard** button in the top right navigation panel > Select one of three options: **Link**, **Snapshot** or **Export**.

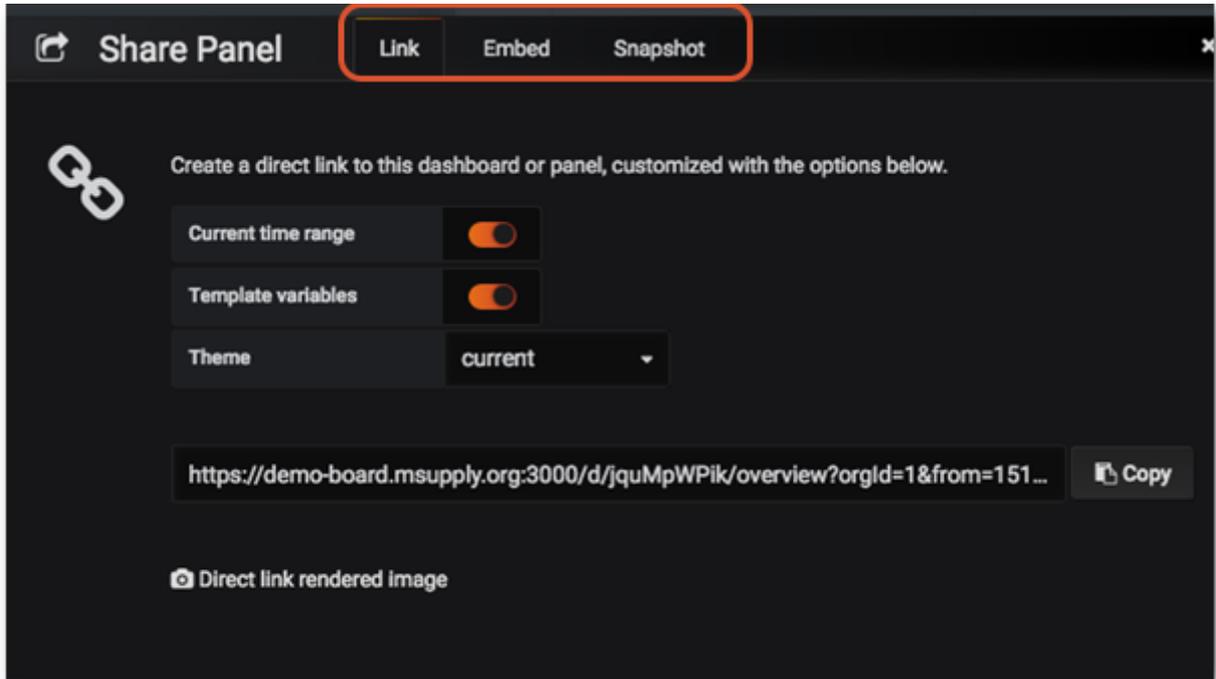

For detailed instructions on each option click on [Grafana Sharing Dashboards](#)

## Sharing Panels

Click on the Title of the panel > from the menu select **Share** > Select one of the three options: **Link**, **Embed** or **Snapshot**.

For detailed instructions on each option click on [Grafana Sharing Panels](#)
