

# The Cash Register

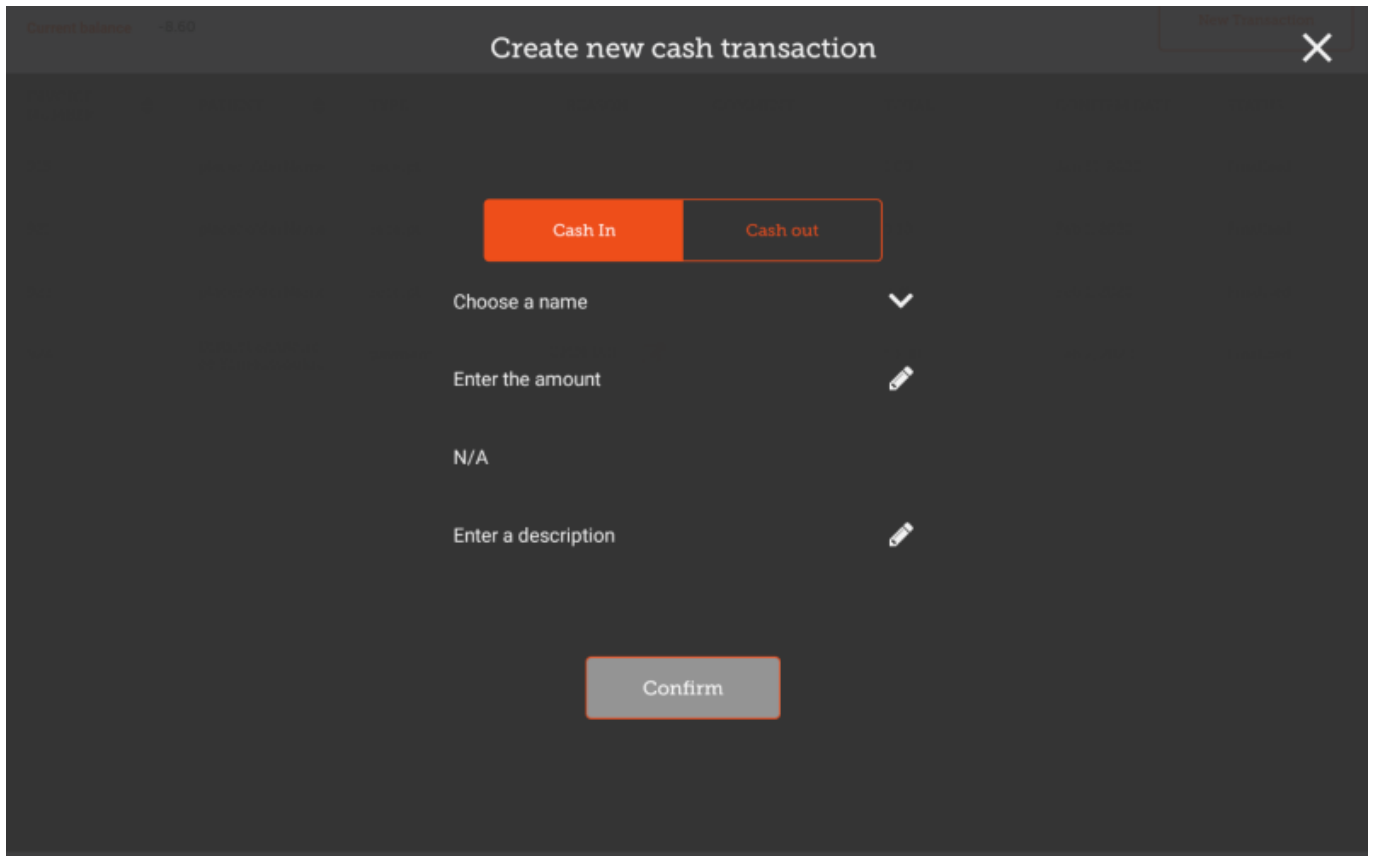

This feature is primarily for Côte d'Ivoire - it has to be enabled on the server for your version of mSupply mobile to use it. It will not be visible in the interface otherwise.

## The Cash Transaction List

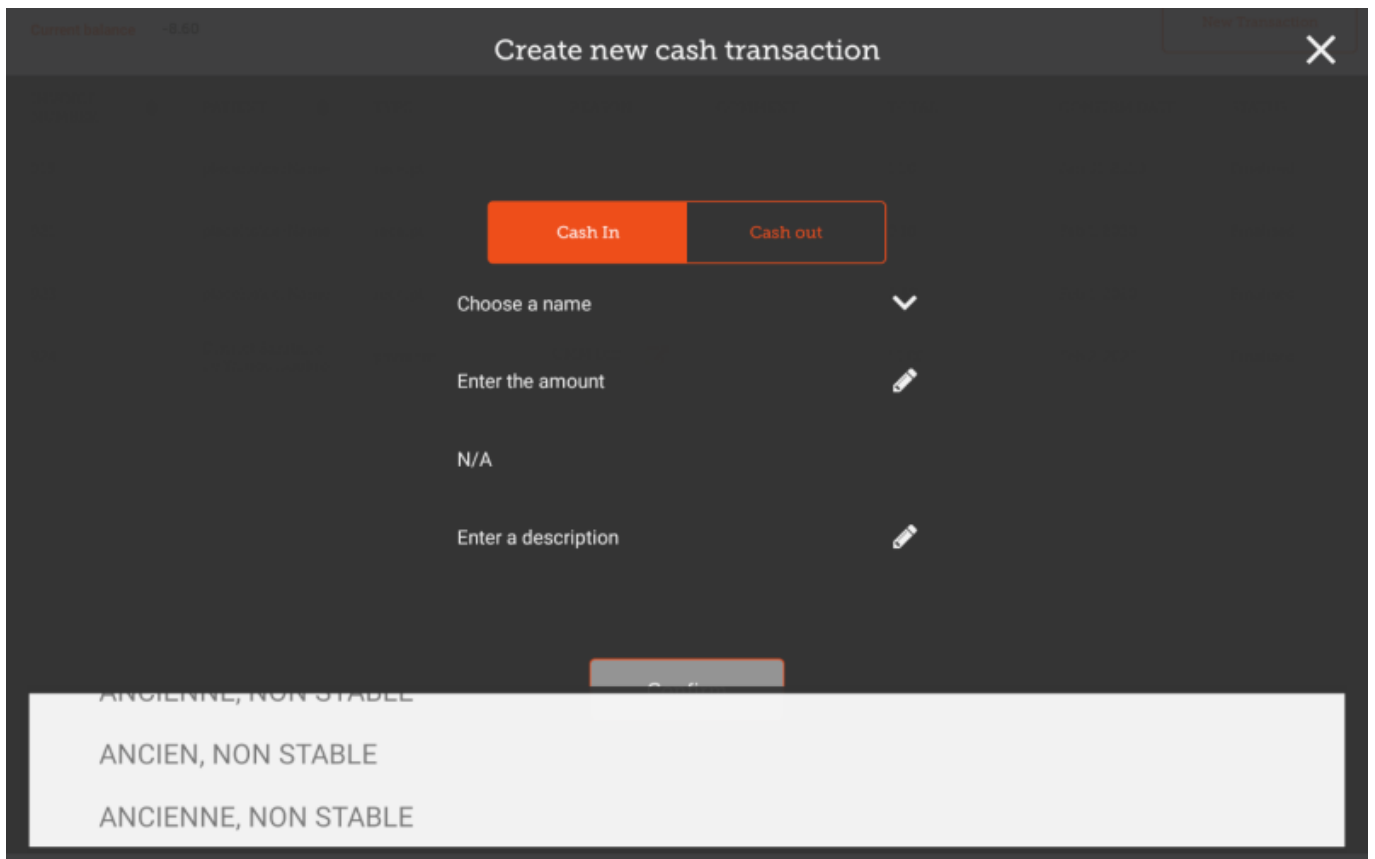

- Clicking the “Cash register” register button shows all receipts and payments
- Your stores current cash balance is shown in the top left.

- Tapping the **New Transaction** button brings up a dialog to create either a CASH IN (receipt) or CASH OUT (payment) transaction

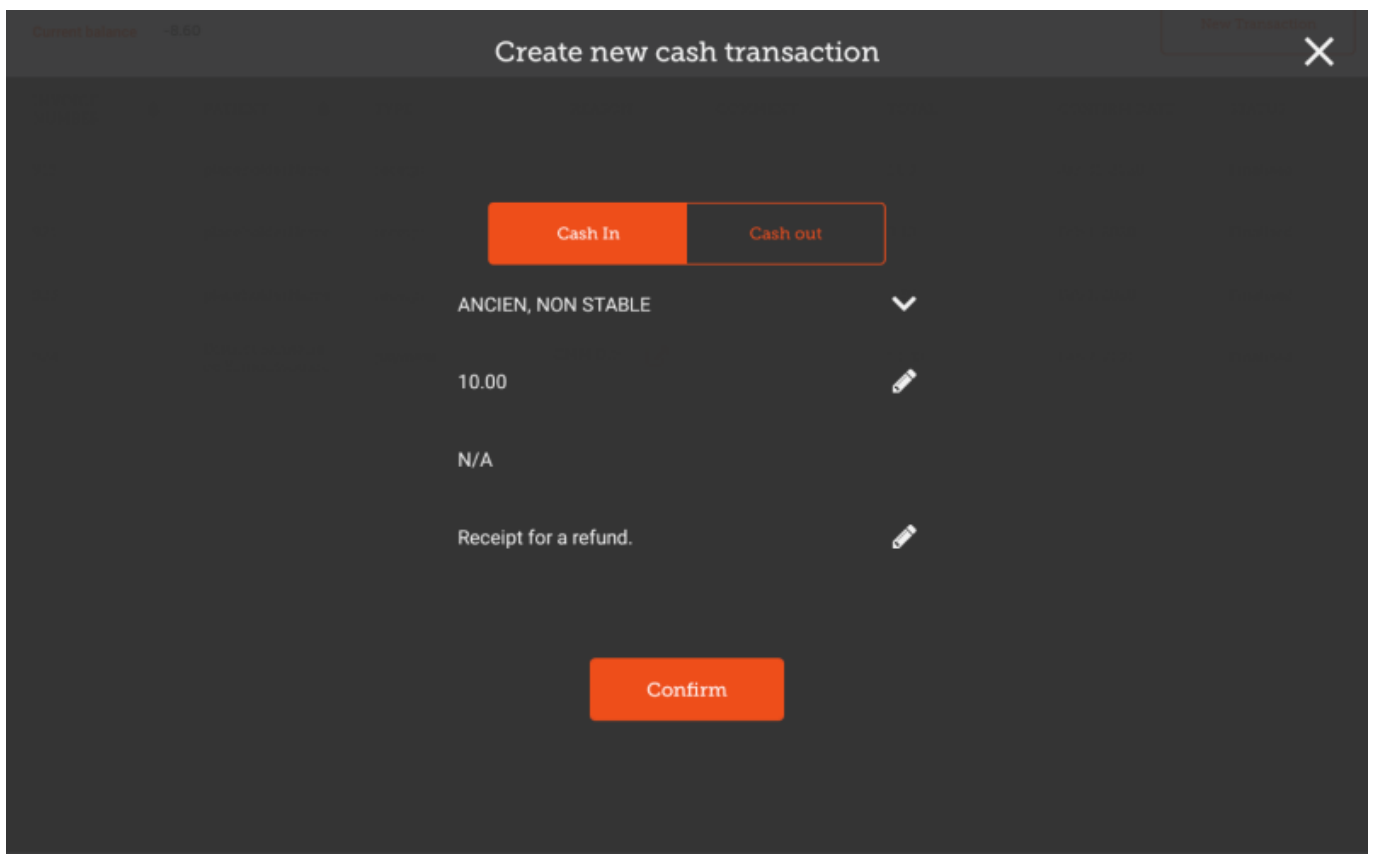

- You must complete each step to proceed
- First select the Choose a Name button and select a name from the list

- Then press the **Enter The Amount** button and enter the amount

- Once confirmed, you can then create the cash receipt transaction.
- Optionally, you can enter a description for this receipt.

# Cash Out Transactions

Creating a **CASH OUT** transaction is the same process, except that you must provide a reason for the transaction. Select the Choose a reason button, and select a reason from the list

The screenshot shows a mobile application interface for creating a new cash transaction. At the top, the title is "Create new cash transaction" with a close button (X) on the right. Below the title, there are two buttons: "Cash In" and "Cash out", with "Cash out" being the active selection. Underneath, there are four rows of input fields:

- The first row contains the text "ANCIEN, NON STABLE" followed by a downward-pointing chevron icon.
- The second row contains the numerical value "10.00" followed by a pencil icon for editing.
- The third row contains the text "Choose a reason" followed by a downward-pointing chevron icon.
- The fourth row contains the text "Receipt for a refund." followed by a pencil icon for editing.

At the bottom of the screen, a list of reasons is shown in a light gray box:

- Transfert vers le regisseur
- Paiement du transport du produit
- Annulation de versement

- Once you have selected a reason, you are able to create and save this transaction
